Form 990, Part III, Line 4a - First Accomplishment

Supporting Small Businesses - SAGE's Small Business Support Program ("SBS") provides business support, access to educational opportunities, technical assistance, resources, and grant assistance to small businesses located in Eastside San Antonio. The program is specifically designed to meet the demands of small businesses (whether startup or growth-minded) that need targeted and tailored support. Business support includes: 1) Referring participating small businesses to business development technical experts, peers, and mentors to assist them with any emerging improvement plans; 2) Connecting business owners to resources and other grant opportunities that include funds for capital, façade improvement, capacity building, and casualty loss expenses; 3) Continuous followup with participating small businesses to check in generally, understand preexisting or new challenges, and encourage progress towards goals. SAGE also offers intensive support to select small businesses through peer cohorts. These cohorts provide an opportunity for participants to work closely with business development experts, peers, and mentors, receiving tailored guidance on both emerging challenges and long-term growth strategies.

Form 990, Part III, Line 4d - All Other Accomplishments

Community Engagement - SAGE hosts community and special events throughout the year, including:

HalloEast - HalloEast is a free family-friendly community block party celebrating Halloween. This event is more than just trick-or-treating -- it's an opportunity for residents to connect with neighbors and share valuable community resources. This event attracted over 530 attendees and more than 50 vendors from the community.

In 2024 SAGE was awarded a \$150,000 Community Economic Development (CED) Planning grant from the U.S. Department of Health and Human Services, aimed at building the administrative capacity needed to develop a public market complex on San Antonio's Eastside. This planning project marks a significant step forward in SAGE's commitment to fostering economic vitality in this minority-majority area, which has long grappled with systemic poverty, high unemployment, and the lingering effects of historical disenfranchisement through redlining, racial segregation, and governmental disinvestment. Through the CED Planning funds, SAGE will develop a comprehensive, community-informed business plan to establish a public market complex that will serve as an economic anchor for the Eastside. This vibrant community space is envisioned to address the critical shortage of grocery stores, dining, and entertainment options in the area, and create a central hub where residents can support local businesses, enjoy community events, and access essential goods and services.

In 2025, SAGE was awarded a CED Implementation Grant from the U.S. Department of Health and Human Services totaling \$800,000 to support the development of a revolving loan program intended to provide financial assistance to small businesses in the Eastside community. This same year

SAGE was awarded a \$2,000,000 U.S. Department of Transportation Reconnecting Communities Project (RCP) planning grant to address longstanding barriers created by highways on San Antonio's Eastside. The project focuses on developing a vision to cap, bury, and transform sections of IH-10, IH-35, and IH-37 into green, pedestrian-friendly spaces. This effort aims to reconnect historically divided neighborhoods, enhance mobility, and spur economic development.

SAGE directly engages more than 7,000 community members through its website, semi-monthly newsletter, and social media engagement.
